Dave:

Please see the attached newspaper article regarding your client's arrest. It appears that Mr. Marrow has been incarcerated since last week? Is that true? Do you know where he is, so I can ask for permission to depose him? Do you know if he is getting out soon? I would like to seek a brief extension of discovery based on your client's incarceration. Let me know if you are amenable to such as soon as possible.

Thanks,

Tichina
